

# BOND HILL BUSINESS DISTRICT

## Bond Hill | Cincinnati, Ohio | Ongoing

Mixed-use retail / residential properties once comprised a vibrant local commercial corridor along Reading Road. This project will create space for more than one dozen businesses that generate income for entrepreneurs and their families, while building community vitality. It creates a commercial center with street-level storefronts, ideally suited for qualifying micro-entrepreneurs.

“We're thrilled to open our cookie store in Bond Hill. It's a dream come true for us.”

**Christina Davis**  
Owner, Davis Cookie Collection
