

1682 SEYMOUR AVENUE

Roselawn | Cincinnati, Ohio | 2016

1682 Seymour, a Port-owned former furniture warehouse in Roselawn, received major energy efficiency upgrades and became Cincinnati's first PACE (Property Assessed Clean Energy) project. The \$250,000 scope includes new insulated tinted windows throughout, additional exterior insulation, and a new metal canopy at the entrance.

PROJECT DETAILS:

TYPE: Public Finance

FINANCING PROVIDED: Property Assessed Clean Energy (PACE) Financing

LOCATION: Roselawn

YEAR: 2016

TOTAL PROJECT COST: \$530,000

PARTNERS: City of Cincinnati, Greater Cincinnati Energy Alliance
