Section 3. Issuance and Terms of Revenue Bonds.

(a) Terms Generally. The Revenue Bonds shall be issued initially in one or more instruments as set forth in the Loan Agreement, payable in installments, in fully registered form, substantially in the form set forth in the Loan Agreement, and in the maximum outstanding principal amount authorized hereby; provided that, the outstanding principal amount of any Revenue Bonds issued as draw-down bonds or notes shall, at any time, be equal to the aggregate amount of the advances thereon, less the amount, if any, of outstanding principal paid or prepaid, which amount shall be determined by reference to the Register. In the absence of manifest error, the Register shall be conclusive as to the outstanding principal amount of each Revenue Bond. The outstanding principal amount of the Revenue Bonds shall bear interest at the interest rate described in the Revenue Bonds or the Loan Agreement, which rate shall not exceed 5% per year, payable on each Interest Payment Date, until the principal amount has been paid or provided for. The Revenue Bonds shall mature on the date or dates set forth therein, which shall be no later than forty (40) years after their date of issuance, and shall be payable in full no later than that date, subject to prepayment as described in the Loan Agreement and the Revenue Bonds. The Revenue Bonds shall be dated their date of issuance; shall be designated "Port of Greater Cincinnati Development Authority Taxable Mortgage Revenue Bonds (West End Affordable Project)," or such other designation as determined by an Authorized Officer; shall be numbered as provided in the Loan Agreement or Revenue Bonds; and shall be a negotiable instrument in accordance with the Act, subject to the transfer restrictions provided in the Revenue Bond and the Loan Agreement; and shall be in a minimum denomination of \$100,000; provided that, if an Authorized Officer and the Original Purchaser so determine, the Revenue Bonds may be issued on one or more dates as one or more series of issues which together total the maximum aggregate principal amount of \$1,500,000, and one or more Authorized Officers may execute and enter into one or more series of the Bond Documents to accomplish such issuances. The outstanding principal amount of the Revenue Bonds shall bear interest from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from the date of each advance thereon or as otherwise provided in the Loan Agreement or the applicable Revenue Bond. Bond Service Charges shall be payable to each Holder in lawful money of the United States of America, without deduction for the services of any paying agent. Up to \$1,000,000 of the Revenue Bonds shall be subject to forgiveness by the Original Purchaser subject to the terms of the applicable Loan Agreement.

(b) Execution. The Revenue Bonds shall be signed by any two Authorized Officers, in the name and on behalf of the Port and in their official capacities, provided that either or both of such signatures may be a facsimile and that any such official so authorized, if such official is at the time of signing so authorized, is authorized to execute the Revenue Bonds whether or not such official is such officer at the time of delivery of any Revenue Bonds, including any replacement Revenue Bond or Revenue Bond issued upon any exchange or transfer. Each such officer is hereby authorized to execute and deliver the Revenue Bonds in accordance with this resolution and an Authorized Officer is authorized to execute and deliver the Loan Agreement, but subject to satisfaction or waiver of any conditions stated therein. The purpose for which the Revenue Bonds are issued shall be set forth in the form of the Revenue Bonds, which may contain such other statements or legends as may be required by law or otherwise advisable.

(c) Registrar. The Secretary of this Board is appointed to act as the initial authenticating agent, bond registrar and transfer agent (collectively, the "Registrar") for the Revenue Bonds. In accordance with applicable law, any Authorized Officer may hereafter designate a different person to serve as Registrar and enter into a contract for the provision by that person of services as Registrar. No Revenue Bond shall be valid or become obligatory for any purpose or shall be entitled to any security or benefit under this resolution or the Loan Agreement unless and until a certificate of authentication, as printed on the form of Revenue Bond, is signed by the Registrar as authenticating agent. Authentication by the Registrar shall be conclusive evidence that the Revenue Bond so authenticated has been duly authenticated and delivered under this resolution and is entitled to the security and benefit of this resolution and the Loan Agreement. The certificate of authentication may be signed by any officer or officers of or designated as the Registrar. It shall not be necessary that the same authorized person sign the certificate of authentication on each Revenue Bond.

So long as the Revenue Bonds remain outstanding, the Register shall be maintained and kept by the Registrar, at the office of the Registrar, for the registration, exchange and transfer of the Revenue Bonds as provided in this Section, including a current and accurate record of the name and address of each Holder. The registered Holder of a Revenue Bond shall be regarded as the absolute owner of that Revenue Bond for all purposes of this resolution and the Loan Agreement. Payment of or on account of Bond Service Charges on each Revenue Bond shall be made only to or upon the order of that Holder. Neither the Port nor the Registrar shall be affected by any notice to the contrary, but the registration may be changed as herein provided. The Registrar shall establish procedures for the exchange, transfer or replacement of the Revenue Bonds. Any Revenue Bond issued upon a transfer or exchange, or to replace a lost, stolen, destroyed or mutilated Revenue Bond, shall be the valid special obligation of the Port, evidencing the same debt, and entitled to the same benefits under this resolution and the Loan Agreement, as the Revenue Bond surrendered upon that transfer or exchange or lost, stolen, destroyed or mutilated.

Section 4. Sale and Delivery of Revenue Bonds. In accordance with the Loan Agreement between the Original Purchaser and the Port related to the purchase of the Revenue Bonds, the Revenue Bonds are awarded and sold to the Original Purchaser at a purchase price equal to 100% of the principal amount thereof, subject to any conditions set forth in the Loan Agreement; provided, that such purchase price may be paid in accordance with the Loan Agreement by the payment of advances upon the delivery to the Holders of requisitions in the form required by the Loan Agreement. Other terms of the Revenue Bonds and the sale thereof may be specified in the Loan Agreement. All matters determined in the Loan Agreement shall be conclusive and binding on the Port. Any fees payable in connection with the issuance and sale of the Revenue Bonds, including, without limitation, any counsel fees and any other fees to be paid in connection with the structuring and sale of the Revenue Bonds may be paid and are hereby appropriated from the proceeds of the sale of the Revenue Bonds.

Any Authorized Officer is authorized to make the necessary arrangements with the Original Purchaser to establish the date, location, procedure and conditions for the delivery of the Revenue Bonds in accordance with the Loan Agreement and subject to the conditions stated therein and in the Bond Purchase Agreement, including delivery of an investor acknowledgement letter, in form satisfactory to such Authorized Officer. It is determined by this Board that the price for and the terms of the Revenue Bonds and the sale thereof, all as provided in this resolution, the Loan Agreement and other related instruments, are in the best interests of the Port and are in compliance with all legal requirements.

Section 5. Application of Proceeds of the Revenue Bonds; Creation of Project Fund. The proceeds from the sale of the Revenue Bonds shall be deposited in and credited to a deposit account in the name of the Port and maintained by the Port or the Original Purchaser (except when invested as hereinafter provided) which is hereby created (the "Project Fund"). Money in the Project Fund may be invested if and as provided in the Loan Agreement and shall be held and disbursed in accordance with

the Loan Agreement to pay costs of acquiring, constructing and otherwise improving the Project, including costs of issuance of the Revenue Bonds or other costs of the financing of the Project, and the proceeds from the sale of the Revenue Bonds, and any other moneys provided to or on behalf of the Port for that purpose, are appropriated for that purpose, all as set forth in the Loan Agreement. The money and investments to the credit of the Project Fund shall, pending disbursement, constitute a part of the Pledged Revenues assigned as security for the payment of Bond Service Charges.

Section 6. Security for the Revenue Bonds. The Revenue Bonds shall be payable solely from the Pledged Revenues and the Special Funds, as provided herein, and shall be secured by an assignment of the Pledged Revenues and by the pledges and assignments set forth in the Bond Documents. Notwithstanding anything to the contrary herein or in the Revenue Bonds, the Revenue Bonds do not and shall not pledge the general credit or taxing power of the Port or of the State or any political subdivision thereof, and nothing herein or in the Revenue Bonds or in the Bond Documents, shall constitute a general obligation, debt or bonded indebtedness of the Port or the State or any political subdivision thereof; and further, nothing herein or therein gives the Holder of a Revenue Bond, and it does not have, the right to have excises or taxes levied by this Board, or by the State or the taxing authority of any other political subdivision thereof, for the payment of Bond Service Charges or any other charges on the Revenue Bonds or any obligations under the Bond Documents. The Revenue Bonds shall contain a statement to that effect and that the Revenue Bonds are payable solely from the Pledged Revenues. Nothing herein shall be deemed to prohibit the Port, of its own volition, from using to the extent it is lawfully authorized to do so, any other resources or revenues for the fulfillment of any of the terms, conditions or obligations of this resolution or the Revenue Bonds.

Section 7. Assignment of Pledged Revenues. The Port hereby assigns to the Holders, as security for the payment of the Bond Service Charges, its right, title and interest in the Pledged Revenues, including, without limitation, all Rental Payments, which under the terms of the Bond Documents shall be paid by the Port for deposit in the Bond Fund and application to the payment of Bond Service Charges. The assignment shall be, and is intended to be, immediately effective without further action; provided that the Port shall execute and deliver the Bond Documents and shall take such other action as may be deemed necessary or appropriate to further evidence that assignment. The Rental Payments, and any other payments intended to be used to pay Bond Service Charges, shall be paid to a deposit account in the name of the Port and maintained by the Port or the Original Purchaser (except when invested as hereinafter provided) (the "Bond Fund"), which is hereby created.

Section 8. Covenants of Port. In addition to other covenants and agreements of the Port herein, and in the Bond Documents, the Port, by issuance of the Revenue Bonds, covenants and agrees with each Holder of a Revenue Bond:

(a) Use of Proceeds. The Port will use, or cause the use of, the proceeds of the Revenue Bonds to pay costs of the Project including, without limitation, costs of acquiring, constructing and otherwise improving the Project and costs and fees payable in connection with the issuance of the Revenue Bonds.

(b) Pledged Revenues. The Port will segregate, or cause to be segregated, for accounting purposes, the Pledged Revenues and the Special Funds established under this resolution and the Bond Documents from all other revenues and funds of the Port, and will not pledge, assign or transfer the Pledged Revenues or the Special Funds, or create or permit to be created any debt, lien or charge thereon other than the assignment under this resolution and the Bond Documents.

(c) Transcript. The Secretary of this Board will furnish to the Original Purchaser a true transcript of proceedings, certified by the Secretary, of all proceedings had by the Port with reference to the issuance of the Revenue Bonds, together with such information from the Port's records as is available and necessary to determine the regularity and validity of such issuance.

(d) Bond Service Charges. The Port will, solely from the Pledged Revenues and the Special Funds, pay or cause to be paid the Bond Service Charges on the dates, at the places and in the manner provided herein and in the Revenue Bonds and the Bond Documents.

(e) Records and Filings. The Port will cause the Mortgage and the Assignment, and any amendments or supplements to either, and any related documents or instruments relating to the pledge and assignment made by it to secure the Revenue Bonds, to be recorded and filed in such manner and in the places which may be required by law in order to fully preserve and protect the security of the Holders.

(f) Further Actions. The Port will, at any and all times, cause to be done all such further acts and things and cause to be executed and delivered all such further instruments as may be necessary to carry out the purposes for which the Revenue Bonds are issued and this resolution, or as may be required or authorized by the Act or the Bond Documents, and shall comply with all requirements of law applicable to the Revenue Bonds.

(g) Performance of Covenants. The Port will observe and perform all of its agreements, covenants, understandings and obligations provided for by the Revenue Bonds, this resolution, and the Bond Documents, and use its best efforts to keep the Bond Documents in full force and effect. All of the obligations of the Port thereunder are hereby established as duties specifically enjoined by law and resulting from an office, trust or station upon the Port within the meaning of Section 2731.01, Ohio Revised Code.

(h) Representations. The Port represents that (i) it is, and upon delivery of the Revenue Bonds will be, duly authorized by the Constitution and laws of the State, including particularly and without limitation the Act, to issue the Revenue Bonds, to execute and enter into the Bond Documents and to provide the security for payment of the Bond Service Charges in the manner and to the extent set forth herein and in the Bond Documents and the Revenue Bonds; (ii) all actions on its part for the issuance of the Revenue Bonds and execution and delivery of the Bond Documents have been or will be taken duly and effectively; and (iii) the Revenue Bonds will be legal, valid, binding and enforceable special obligations of the Port according to their terms.

(i) Inspection of Project Books. All books and documents in the Port's possession relating to the Project and the Pledged Revenues shall be open at all times during the Port's regular business hours to inspection by such accountants or other agents of any Holder as the Holder may from time to time designate.

Section 9. Bond Documents. To provide for the issuance and terms of and security for the Revenue Bonds, any one or more Authorized Officers are hereby authorized, for and in the name of the Port and on its behalf, to execute each Bond Document in substantially the forms required by the Original Purchaser and approved by the Authorized Officer executing the Bond Document. The approval of the Bond Documents, and that such Bond Documents are not inconsistent with this resolution and are permitted by the Act shall be conclusively evidenced by the execution of the Bond Documents by the Authorized Officer executing the same.

Section 10. Further Actions. Any one or more Authorized Officers are further authorized to execute any certifications, financing statements, assignments, agreements and instruments, and to take such further actions as are necessary or appropriate to implement the transactions contemplated in the Revenue Bonds and the Bond Documents and to consummate the transactions contemplated in this resolution and the Bond Documents, and to undertake, complete and finance the costs of the Project, consistent herewith and with the Bond Documents. All actions heretofore taken by the officers and officials of the Port and of this Board in connection with the Project and the financing thereof are hereby ratified and approved.

Section 11. References. Any reference herein to the Port, to this Board, or to any member or officer of either, includes entities or officials succeeding to their respective functions, duties or responsibilities pursuant to or by operation of law or lawfully performing their functions. Any reference to a section or provision of the Constitution of the State or the Act, or to a section, provision or chapter of the Ohio Revised Code, or to any statute of the United States of America includes that section, provision or chapter as amended, modified, revised, supplemented or superseded from time to time; provided, that no such amendment, modification, revision, supplement of superseding section, provision or chapter shall be applicable solely by reason of this provision if it constitutes in any way an impairment of the rights or obligations of the Port, the Original Purchaser, or the Holder under this resolution, the Revenue Bonds, the Bond Documents or any other instrument or document entered into in connection with any of the foregoing, including, without limitation, any alteration of the obligation to pay the Bond Service Charges in the amount and manner, at the times and from the sources provided in this resolution and the Bond Documents, except as permitted herein.

Section 12. Payment and Discharge. If the Port shall pay or defease the Revenue Bonds, or cause the Revenue Bonds to be paid, defeased and discharged, the covenants, agreements and other obligations of the Port securing the Revenue Bonds hereunder and in the Revenue Bonds and the Bond Documents shall be discharged and satisfied.

Section 13. Sales Tax Certificates. This Board hereby further authorizes any Authorized Officer to provide appropriate certificates to support the claim of an exemption from Ohio and Hamilton County sales and uses taxes that might otherwise apply with respect to the purchase of building and construction materials incorporated into structures or improvements to real property, within the meaning of Section 5739.02(B)(13), Ohio Revised Code, that constitute Project improvements.

Section 14. Severability. Each section of this resolution and each subdivision or paragraph of any section hereof and each sentence of a paragraph hereof is hereby declared to be independent and the finding or holding of any section or any subdivision, paragraph or sentence hereof to be invalid or void shall not be deemed or held to affect the validity of any other section, subdivision, paragraph or sentence of this resolution.
